AMENDMENT

In response to the office action mailed January 17, 2002, please
amend the above-identified application, without prejudice, as set forth below:

In the Drawings

Applicants submit herewith under separate Letter to the
Draftsperson three sheets of formal drawings depicting FIGS. 1-4. It is believed
these drawings satisfy the informalities noted on PTO-948. Approval by the
Examiner is respectfully requested.

In the Claims

Please cancel claims 1, 3, 7, and 8.

Please add new claims 9-15 as set forth below:

9. (New) A hybrid optical recording disc having copy
protection for use in a computer, comprising:

(a) a read-only area having preformed information including at
least one program and disc identifier data, the disc identifier data being adapted to
authenticate a transferred program in the computer to permit the program to be
operated by the computer, said disc identifier data being identical to disc identifier
data on a plurality of other discs; and

(b) a recordable area including at least one software identifier
track containing software identifier data recorded therein of the computer software
